**I HAVE READ THE ABOVE WARNING, WAIVER, RELEASE AND AGREEMENT TO PARTICIPATE. I UNDERSTAND ITS CONTENTS AND DO HEREBY SIGN IT VOLUNTARILY.**

In consideration of being allowed to participate in any way in the sanctioned events of HYO Martial Arts, I,

1. Recognize and understand that martial arts training is a physical contact activity and that my participation might result in serious injury, including permanent disability or death, and severe social and economic loss.
2. Recognize and understand that such risk may be due to not only my own actions, but also the action, inaction or negligence of others, the regulations of participation, or the conditions of the premises, or of any of the equipment used.
3. Recognize that there may be other risks that are not known to me or to others or not reasonably foreseeable at this time.
4. Agree to inspect the facilities, equipment and pairings prior to participation. I will immediately inform an instructor if I believe that anything is unsafe or beyond my capability and refuse to participate.
5. Assume all of the foregoing risks and accept personal responsibility for any damages that may result from injury, permanent disability or death.
6. Enter martial arts training and/or competition entirely of my own free will and understand the importance of following the rules of training and competition. I have been given a copy of the rules and regulations of HYO Martial Arts Company and agree to abide by the instructions given therein.
7. I certify that I am in good physical condition, and have no disease, injury or other conditions that would impair my performance or physical and mental well-being during intense training practice and/or competition.
8. Grant permission in case of injury to have a doctor, nurse, athletic training or other emergency medical personnel provide me with medical assistance or treatment for such injury.
9. Release, waive, discharge and covenant not to sue, HYO Martial Arts, its affiliated organizations and governing bodies, their officers, instructors and personnel, other members of the organizations, participants, supervisors, coaches, sponsoring organizations or their agents, and if applicable, owners and lessors and lessees of the premises from any and all liability to the undersigned, his or her heirs and next of kin for any and all claims, demands, losses and damages which may be sustained and suffered on account of injury, including death or damage to property, caused or alleged to be caused in whole or in part by the negligence of the releasees or otherwise.

**ADVISORY OF RIGHTS AND RESPONSIBILITIES**

Safety is not the sole responsibility of instructors and staff.

Everyone in class is responsible for their own safety and the safety of those around them.

All students have the right and responsibility to excuse themselves from any exercise they believe will be harmful to them.

All students must evaluate each situation in the context of their skill and current physical condition and conduct each drill in a manner that is safe. If an instructor gives an instruction that is unsafe for the student, it is the student's responsibility to inform the instructor that the activity may be unsafe. The instructor will routinely excuse the student from unsafe exercises and drills.

The instructor may ask for an explanation, and the student is expected to provide one.

All students have the responsibility to train and conduct themselves in a manner that helps all students and instructors remain safe.

Students must give those who are training enough room to avoid interfering and avoid being accidentally struck

by someone else practicing, which is especially important when others are practicing with weapons. In the event of an injury, students have the right and responsibility to evaluate the extent of harm, stopping what they are doing even if it includes a partner, and determining if it is safe to continue. Unless a student is certain that further practice will not create or worsen a problem, all students are encouraged to stop what they are doing and inform the instructor.

In the event of a serious injury or the appearance of a serious injury, all students, instructors, staff and visitors, notably parents, have the right to call a stop to a particular training exercise. If a student notes an unsafe training situation, which may include:

a student performing a skill incorrectly, a student not showing due regard for the safety of others, a defective piece of training equipment, a potentially dangerous obstacle or condition on the floor, or anything else that may cause or lead to harm of the students, instructors, visitors or guests, then the student is expected to correct the situation if it is within his ability or to notify an instructor or staff member immediately. If something is simple to correct, such as removing an obstacle from the floor, the student should correct the situation. If the situation may require the authority of the instructor or staff, or if it is not a simple matter, then the instructor or staff member should be notified immediately.

## **ASSUMPTION OF RESPONSIBILITIES AND RISK**

Martial arts training, by nature, involves physical activity that carries a risk of injury. Minor injuries such as bumps, bruises, scrapes, and soreness are common and may occur during training. Students may also experience sprains, strains, twists, or cramps, which are part of normal physical exertion.

Although rare, more serious injuries — including torn ligaments or broken bones — can occur despite proper supervision and safety protocols. There is also a very small possibility of severe injury, permanent disability, or even death.

While such outcomes are extremely uncommon, they cannot be entirely ruled out.

By signing this agreement, I acknowledge and accept these risks and take full responsibility for my safety (or that of my child).

I understand that the absence of prior serious injuries at this school does not eliminate the potential for harm.

In accepting these risks, I agree not to hold the instructors, staff, students, guests, landlords, or affiliated parties liable for any injury or loss, unless caused intentionally through criminal conduct.

\_\_\_\_\_ **Initials**

## **NOTICE AND CONSENT TO INSTRUCTORS**

This school employs professional instructors who are highly trained in both martial arts and teaching. Classes may be conducted by the head instructor or any other qualified instructor, including junior instructors, senior students, or guest instructors, depending on availability. Instructor assignments are made at the sole discretion of the school.

I understand that I may not always be taught by the instructor of my choice. However, I agree to show respect to whomever is teaching and to follow the school's etiquette and training standards at all times.

I acknowledge that I am responsible for my own safety during class, regardless of who is instructing.

I give full consent to be taught by any instructor deemed qualified by the school. I further agree that this waiver and all provisions of this document remain fully effective regardless of the instructor assigned.

\_\_\_\_\_ **Initials**

## **NOTICE OF PHYSICAL CONTACT**

Complete martial arts training requires physical interaction. During drills and sparring, contact with various body parts may occur, including incidental or targeted contact as part of self-defense training.

The school emphasizes respectful conduct at all times. If I (or my child) ever feel uncomfortable with a specific training exercise, partner, or type of contact, I understand that I may withdraw from the exercise. If contact appears inappropriate or exceeds the bounds of appropriate training, I will notify the instructor immediately and privately. If conduct appears abusive or criminal, I understand that it should be reported and may involve notifying authorities.

All training is conducted with the intent to foster a safe and respectful learning environment for all students.

\_\_\_\_\_ **Initials**

## CONSENT TO PHYSICAL CONTACT

I understand that martial arts training may involve physical contact with instructors, staff, and other students. I acknowledge that contact may occur as part of instruction, demonstration, and practice of martial arts techniques.

If I (or my child) ever feel uncomfortable or believe any contact goes beyond what is necessary for training, I understand that I have the right to withdraw from that drill or exercise immediately and report it to an instructor.

I agree to follow all rules of etiquette and conduct at the school, and I will not behave inappropriately or misuse the contact involved in martial arts training

\_\_\_\_\_ **Initials**

## PARENT/GUARDIAN INDEMNIFICATION AGREEMENT

I agree not to file or initiate any legal claim against the school, its instructors, staff, students, guests, landlords, or affiliated parties on behalf of my child for any injury or harm that occurs in connection with training, unless the injury results from a verified criminal act. In such a case, only the individual who committed the act may be named in such a suit.

I also agree not to support, initiate, or participate in any legal claim or lawsuit regarding such matters unless required to do so by law. Furthermore, I agree to indemnify and hold harmless the school, instructors, staff, and all other parties covered by this agreement from any costs, legal fees, or judgments resulting from a violation of this agreement.

\_\_\_\_\_ **Initials**

## ARBITRATION CLAUSE

In the event of any dispute involving me, my child, or anyone acting on behalf of my child, related to the school or this agreement, I agree that the matter will be resolved through binding arbitration.

I agree to consider binding arbitration as the preferred method

## SEVERABILITY

If any provision of this document is found to be invalid or unenforceable by a court, the remaining provisions shall remain in full effect. The invalid clause will be removed without affecting the rest of the agreement.

## DURABILITY OF AGREEMENT

This agreement takes effect on the date of signature and remains valid indefinitely. If signed after training has already begun, the agreement applies retroactively to the start date of participation at the school.

I grant permission to HYO Martial Arts to take and use photographs and/or videos of me / my child in promotional materials including social media, website, flyers, and other publications.

I have read this document, and I understand the content of it. I agree to abide by the terms of it.
